Re: Development of Coyote Valley

Dear Members of the Coyote Valley Specific Plan Task Force:

I oppose the development of Coyote Valley. Our need for farmland and for undeveloped land grows greater as development increases in other areas.

Before any decisions are made we need equal representation of environmentalists on the Coyote Valley Task Force. There should be one for one mitigation if farmland in Coyote Valley is developed. Have some decisions been made that the public has not been made aware of?

Please do not allow development of a irreplaceable resource.

Sincerely,

Jean Olmsted
